

1308 29th Street N. W.
Washington, D. C.
November 26, 1951

Dear Will:

STAT

I am most appreciative of your letter of November 20th about my Austrian friends, Messrs. [redacted] What you have done is most generous. I had not sent them to you with the idea of asking you to contribute but rather as someone in Houston who could give them wise and friendly counsel. However, I feel sure that your contribution will be put to effective use.

Sincerely,

Hon. W. L. Clayton
